

Lincoln Resource Center (LRC), originally known as the U.S. Information Service (USIS) library, opened its doors to the Malaysian public on February 15, 1950 and continues to provide the most up-to-date and accurate information about U.S. policies, education, geography, history, society, culture, etc.

Named after President Abraham Lincoln, the Lincoln Resource Center provides reference and referral services on all aspects about the United States of America. Fields covered include foreign affairs, U.S. political and social processes, economics, finance, trade, education, biotechnology, arts, culture, etc.

Our resources include books, journals, videos, DVDs, electronic databases including EbscoHost, etc. The Lincoln Resource Center website <http://usembassymalaysia.org.my/lincoln/lincoln.htm> provides links to a wide range of useful and authoritative resources. They include electronic books and journals, videos, education USA, and other resources that are helpful to Malaysian researchers.

The Lincoln Resource Center has partnered with several local public libraries to make available to the Malaysian public special Americana collections called **Lincoln Corners**.
